Important information:

- **Your first name and surname, and your address, must match the name and address on your private health insurance policy.**
- **Please check with your private health insurer regarding your room entitlement type for your related hospital stay. You will be liable for any charges/shortfall not covered by your health insurance.**
- **Single Occupancy accommodation is subject to availability.**
- **Should your infant(s) require admission to the Neonatal Unit, they will be treated privately.**
- **You should contact your private health insurer on the birth to have the infant(s) added to your health insurance policy.**

Additional Information:

- **The hospital operates a Direct Payment Scheme with all the Irish Private Health Insurance Companies.**
- **You will be required to sign the relevant Insurance Forms on admission to hospital.**
- **Charges specified above are determined by the Department of Health – Health Amendment Act 2013 and are subject to change.**
