We are regularly monitoring our non-attendees (DNAs); please advise your patient of the importance of attending their appointments. If you become aware that your patient no longer needs an appointment please contact the appointment scheduling department (contact numbers above) so that it can be cancelled and offered to another patient. **A woman who does not attend her first appointment will be routinely sent a new appointment. However if she does not attend new appointment she will be referred back to the G.P.**

Please send this completed form for Obstetric referrals to the Appointment Scheduling Department, Coombe Women & Infants University Hospital, Cork Street, Dublin 8.
